The Yuma County Sheriff's Office (YCSO) is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living within Yuma County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notifications to the community. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).

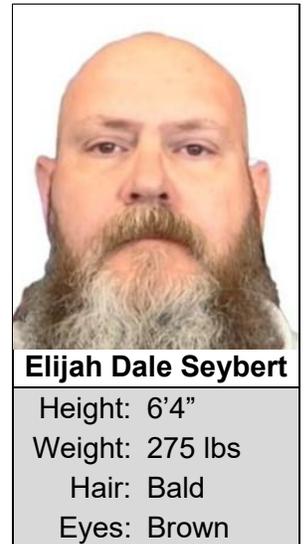

The individual who appears on this notification, **Elijah Dale Seybert, 46**, has been convicted of a sex offense that allows for community notification. Elijah Seybert has advised the YCSO that he is residing at 63800 E. Highway 80, #2 in Dateland, Arizona. He is described as 6 feet 4 inches tall, 275 pounds, with bald hair and brown eyes. He is not wanted by the Yuma County Sheriff's Office at this time.

On September 29, 2017, Seybert pleaded guilty to two counts of False Information on Registration and one count of Patronizing a Prostitute at the Boulder County Court in Boulder, Colorado. He was sentenced to serve 18 months in jail followed by 6 months consecutively, with credit for 186 days of time served.

On January 14, 2002, Seybert pleaded guilty to one count of Indecent Exposure and one count of Harassment Alarm/Annoy at the Mesa County Court in Grand Junction, Colorado. He was sentenced to serve 4 months in jail.

Elijah Seybert is considered a Level 3 sex offender with a high risk to reoffend.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The YCSO has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he/she chooses. Citizen abuses of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities; but because of Megan's law, law enforcement is now able to share this information with you.

The YCSO would like to remind the public of the registered sex offender and community notification program Offender Watch. To register for free email alerts or search for sex offenders in your area, please visit the YCSO [OffenderWatch](#) page.
