Level 1 Sex Offender Notification Jack Joslin

New Address: 12762 E. 48th Drive – Yuma, AZ 85367

The Yuma County Sheriff's Office (YCSO) is releasing the following information pursuant to A.R.S. 13-3825, the Community Notification on Sex Offenders Law. The offender in this publication is living within Yuma County. It is the responsibility of the Chief Law Enforcement Office having jurisdiction where the offender resides to make notification to the community. Notification must be made when certain sex offenders are released from the Arizona State Prison, accepted under an interstate compact or released from the county jail back into the community. Offenders are categorized into three levels: Level One (low risk to the community), Level Two (intermediate risk to the community), and Level Three (high risk to the community).

The individual who appears on this notification, **Jack Joslin**, 78, has been convicted of a sex offense that allows for community notification. Joslin has advised the YCSO that he is residing at 12762 E. 48th Drive in Yuma, Arizona. He is described as 5 feet, 8 inches tall, 160 pounds, with gray hair and blue eyes. He is not wanted by the Yuma County Sheriff's Office at this time.

On March 15, 2000, Joslin pled guilty to one count of Lewd or Lascivious Acts with Child Under 14 Years in the Los Angeles County Municipal Court in Van Nuys, California. He was sentenced to 365 days in the Montebello City Jail with 24 days credit prior to sentencing, and four years of probation. His victims were two female juveniles known to him.

Jack Joslin is considered a Level 1 sex offender with a low risk to reoffend.

This notification is not intended to increase fear; rather, it is our belief that an informed community is a safer community. The YCSO has no legal authority to direct where a sex offender may or may not live. Unless court ordered restrictions exist, this offender is constitutionally free to live wherever he/she chooses. Citizen abuses of this information to threaten, intimidate, or harass sex offenders will not be tolerated. Sex Offenders have always lived in our communities; but because of Megan's law, law enforcement is now able to share this information with you.
